

FOAMPRO® RTF1000MP AUTO CALIBRATOR

Innovative Simplicity, Revolutionary Productivity

Truck/trailer wall mountable configuration

Here it is - the foam adhesive dispensing breakthrough that gives you incredible ease of use and unprecedented productivity. Quicker startups, more roof time dispensing foam and applying tile, quicker shutdowns.

It's that revolutionary.

No calibrating, no guesswork, no excuses!

- No power needed
- No scales
- No timers
- No measuring cups
- Open valves and go!

Optional full system cart
